

**The CATC membership met recently and agreed to  
extend the pre-publication price of \$20.00 through August 1, 2010  
of the 100th Anniversary Yearbook of the California Airedale Terrier Club.**

This is a request to notify Airedalers via the internet and websites of this opportunity to pre order their books and save some money.

Final price will be \$30.00 per book.

Checks should be made payable to: **CATC**  
and sent to: Nancy Bridge, 10085 Dougherty Ave., Morgan Hill, CA 95037

A must addition to every Airedale library, a great gift for yourself, your puppy buyers, even other breed fanciers. This hard cover book with numerous color photos and many pedigrees will be more than a reference book.

Thanks in advance for your help.
