

CALIFORNIA AIREDALE TERRIER CLUB
INVITES YOU TO OUR ANNUAL
AIREDALE WALK ON THE BEACH

WHEN: Saturday, September 15, 2018
10:00am until lunchtime

WHERE: Carmel Beach, Carmel, California

DIRECTIONS: Take Hwy. 1 south past Monterey. Turn right at Ocean Avenue, Carmel. Drive all the way down Ocean Avenue to the beach parking lot at the end. Park there and look for Fellow Airedale-walkers at the beach entrance. (Note: If lot is full, park along a nearby street and walk down to the meeting place. If you don't see Airedales there, walk on down to the beach. Your dog may go off leash on the beach, and it should be easy to spot all the Airedales frolicking happily in the sand and the water!) Cell phone contact: Chris Hyde, 831-345-1101.

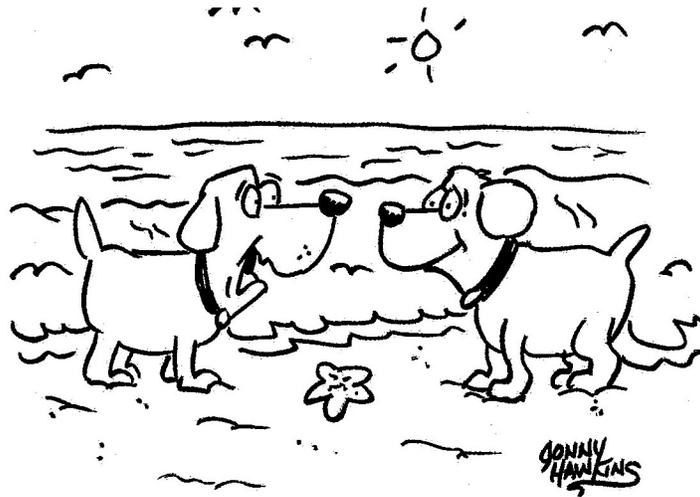

LUNCH INFO: When we get tired of walking, those who would like are invited to join us at 12:00 for a no-host, al-fresco lunch at Cypress Inn, Lincoln and 7th St., 1-800-443-7443. Our dogs are welcome to join us on the patio.

Did you know?

**"Well, this was a wonderful day at the beach.
Now, if we could just remember where we buried our owner."**

Carmel is known for her natural scenery and rich artistic history.

The Carmel mission was first established in Monterey, the capital of Alta California, then relocated to its present site.

Carmel was inundated with musicians, writers, painters, and artists following the 1906 earthquake. \$10 down, little or no interest, got them a home lot!

The one square-mile village has no street lights, parking meters, street numbers, or postal delivery.

Clint Eastwood is a former mayor of Carmel.

Cypress Inn, our dog-friendly lunch destination, is co-owned by singer-actress Doris Day.

Yes, we know that Carmel is dog-friendly with numerous hotels, restaurants and retail establishments admitting guests with Airedales!

Join CATC's September 15 walk to personally experience the beauty, nature, and culture this storied village has to offer!
