

Attention Memorabilia Collectors

On March 11-13, 2022, the California Airedale Terrier Club will sponsor an on-line auction of art works celebrating the Airedale.

Items range from stately antiques to whimsical accessories from the estates of Helen Piperis and Frank Stevens. This is an opportunity to acquire wonderful Airedale art while supporting an active club dedicated to the Airedale breed.

If you love Airedales, or know someone special who does, don't miss this event.

Donations graciously accepted through terriertoys@cox.net
