

Bob Rilling-Smith

Bob Rilling-Smith will speak at CATC's July 8 general membership meeting.

Quoted from a February 22, 2023 AKC Government Relations post,

“Bob is an AKC Legislative Analyst/Community Outreach Coordinator for the U.S. western states. In this role, he will be responsible for monitoring state and local legislation and regulations impacting dog ownership and advocating to support and protect the health, safety, and welfare of all dogs!

Bob will be working to coordinate events and increase engagement at the grassroots level to advance purpose-bred dogs, encourage responsible dog ownership, and protect the rights of dog owners.”

Taken from the AKC website,

“The AKC Government Relations team works to protect the rights of fanciers, breeders, and responsible dog owners. They track more than 2,000 local, state, and federal bills each year that impact dog ownership.”
